SCHEDULE I

POST-INCORPORATION COMPLIANCE

1. Conduct of First Board Meeting

1. Preparation of Notice of First Board Meeting along with Agenda, in compliance with Section 173 and SS-1.
2. Drafting of detailed Agenda covering all mandatory first-BM items: adoption of Certificate of Incorporation, noting of MOA/AOA, appointment of first Auditor, situation of registered office, adoption of common seal (if any), authorization for opening of bank account, appointment of first KMP (if applicable), approval of letterhead/statutory registers, and disclosure of interest by directors (MBP-1) and non-disqualification (DIR-8).
3. Drafting of Board Resolutions for each agenda item.
4. Preparation and circulation of draft Minutes within 15 days as per SS-1, and follow-up for signature/authentication by the Chairman.
5. Advisory on quorum and notice period compliance for a newly incorporated company.

2. Appointment of Statutory Auditor & Filing of Form ADT-1

6. Obtaining consent letter and eligibility certificate from the proposed auditor under Section 141, along with confirmation of non-disqualification under Section 141(3).
7. Drafting of Board Resolution for appointment of first auditor under Section 139(6).
8. Preparation and filing of Form ADT-1 with the ROC within the applicable timeline, with auditor's consent and eligibility certificate as attachments.

3. Filing of Form INC-20A (Declaration for Commencement of Business)

9. Verification of subscription money receipt from each subscriber to the memorandum, cross-checked against the bank statement.
10. Drafting of Board Resolution authorizing filing of INC-20A.
11. Preparation of Form INC-20A with bank statement as attachment, certified by the practicing professional.
12. Filing within the statutory 180-day timeline from incorporation, with a calendar reminder to avoid strike-off risk under Section 10A(2).

4. Issue of Share Certificates to Subscribers to the Memorandum

13. Verification of share allotment details against the MOA subscription clause.
14. Drafting of Board Resolution for issue of share certificates under Section 56 read with Rule 5 of the Companies (Share Capital and Debentures) Rules.
15. Preparation of share certificates in Form SH-1, ensuring compliance with format, signatory requirements, and distinctive numbering.
16. Entry of allotment particulars in the Register of Members and Register of Allotments prior to certificate issuance.

5. Recording of Directors' Disclosures

17. Obtaining Form MBP-1 (Notice of Interest) from each director at the first Board Meeting, and annually/on change thereafter.
18. Obtaining Form DIR-8 (Declaration of Non-Disqualification) from each director annually.
19. Verification of disclosed interests against the Register of Contracts or Arrangements (Section 189) and updating the register.
20. Cross-checking disclosed directorships/interests against MCA director master data to identify undisclosed related-party exposure.

21. Maintaining a disclosure tracker with due dates for annual renewal of MBP-1/DIR-8.

6. Update of Statutory Registers

22. Register of Members – subscriber/allottee details, folio numbers, distinctive share numbers, consideration received (Form MGT-1 format).
23. Register of Directors and KMP – Section 170 details (Form MGT-10 format).
24. Register of Charges – maintained even if nil, ready for future use (Form CHG-7).
25. Register of Contracts or Arrangements in which Directors are Interested (Form MBP-4).
26. Physical/digital indexing and page-numbering of all statutory registers as required under the Companies (Management and Administration) Rules. *Stamping of share certificates is a mandatory statutory requirement and is handled as a separately priced service given the department-level coordination and physical follow-up it involves.*
27. Computation of stamp duty payable on issue of share certificates, based on the authorized/subscribed share capital, as per the applicable State Stamp Act.
28. Preparation and submission of application before the Collector of Stamps / e-Stamping authority, along with supporting documents (MOA, AOA, Board Resolution, draft share certificates).
29. Physical submission of documents with the revenue department for stamping of share certificates.
30. Follow-up with the Revenue Department for stamping/franking of the physical certificates.
31. Affixation of stamped/franked certificates and safe return to client with proper record of duty paid.
